Re: Application of Johnston Landfill for New Hampshire Class III Qualification

Dear Ms. Howland:

Attached please find the following documents:

- (a) A completed application for the New Hampshire Class III qualification for Johnston Landfill (the "Application");
- (b) A copy of the Connecticut Department of Public Utility Control statement of qualification for Johnston Landfill as a Class I renewable energy source. (Docket # 03-12-80).
- (c) A copy of the Massachusetts Division (now Department) of Energy Resources statement and amended statement of qualification for Johnston Landfill as a Massachusetts New Renewable Generation Unit, subject to a vintage waiver of 86,901 MWh. (Docket # LG-1020-02 and LG-102002 amended).

Please review these documents. If we can be of any assistance, please do not hesitate to contact the undersigned.

Sincerely yours,

A handwritten signature in blue ink that reads "William P. Short III". The signature is written in a cursive style with a large, stylized "W" and a distinct "III" at the end.

William P. Short III  
Vice President of Power Marketing
